

VOLUNTEER APPLICATION

Thank you for your interest in volunteer opportunities with Landmark Park, Alabama's Official Museum of Agriculture! Volunteers are an essential part of the everyday operations here at Landmark Park, and we appreciate you taking the time to fill out this application. Please note: the application applies to those interested in being a part of our volunteer program, which requires a minimum of 24 hours per year.

We will attempt to match your interests and abilities with the needs of Landmark Park. After your application is reviewed, a staff member will contact you in order to schedule your interview. The interview process is essential in not only finding volunteers that fit our needs, but also in placing our volunteers in an area where they can excel and feel comfortable. Please feel free to attach a resume or any other supplemental materials.

All potential volunteers are required to complete an application, agree to release information for a background and reference check, attend an interview, and will receive notification of their acceptance into the Landmark Park volunteer program. Each accepted volunteer will be provided with an orientation and all resources needed prior to beginning their assignment. Landmark Park reserves the right to decline a volunteer application for any reason at any time.

If accepted into the program, volunteers are considered to be integral members of our staff and programs, and within their project area are expected to assume the same responsibilities as regular Landmark Park staff.

NOTE: Participants may be photographed for educational, archival, and public relations purposes for Landmark Park. If you do not wish to have your photograph taken or published, please indicate here: _____

PERSONAL INFORMATION:

Name _____ Date _____

Current Address _____

City _____ State _____ Zip _____

E-mail _____

Home Phone () _____ Cell () _____

How would you like for us to contact you? (Circle one) PHONE EMAIL

What is the best time of day to contact you? _____

Gender: Male Female
