

Watermelon Sampling

Celebrate National Watermelon Month with Landmark Park during our Watermelon Harvest and Sampling on July 13 at 10 a.m. The Watermelon Sampling is free with paid gate admission. Special thanks to Master Gardener and park volunteer Tom Boyle for coordinating this event each year. Watermelon is a favorite summertime fruit throughout the South. This juicy fruit can be red, yellow, pink, or dark pink on the inside and be seeded or seedless. Watermelon is a flowering ground vine from the gourd family.

A single watermelon is made up of 92% water and is packed with healthy nutrients. They are a good source of antioxidants like vitamin A, vitamin C, vitamin B6, and potassium, magnesium, and dietary fiber. Visit www.alwatermelon.org for more info on watermelons.

Honey Extraction Workshop

Join Landmark Park on June 22 at 9:30 a.m. in the Ag Building for a Honey Extraction Workshop and learn all about bees and the important role they play in our lives. The workshop is hosted by the Wiregrass Beekeepers and the Alabama Cooperative Extension System and is free with paid gate admission. Guests will have a chance to watch as honey from local hives is uncapped by hand, extracted from the comb and bottled. Honey will be on sale at the event and at Landmark Park while supplies last. For more info, contact the office at 334-794-3452. *(Please note, it will be warm in the Ag Building so dress accordingly)*

New! Landmark Park Launches Outreach Program

Landmark Park is excited to announce that we have received a Micro Grant from the Wiregrass Foundation in the amount of \$8,700 to establish an outreach program with the Dothan Housing Authority. Landmark Park will provide science and history programming once per week from June to December in the community room at McRae Homes to the students who live in a Housing Authority or Section 8 home or facility. By traveling to McRae Homes, the need for transportation and the expenses associated with transportation can be eliminated. These programs will be available to any school-aged child who resides in Section 8 home, Ussery, Henry Green, Johnson Homes, McRae Homes and Marvin Lewis. We hope to reach around 1,000 kids through this educational opportunity. Once school begins, the park will continue to provide after school programming and activities to enhance lessons learned in science and history classes. Using well-established curriculum developed at Landmark Park, our teachers will make learning fun using hands-on activities, simple experiments, live animals, games and crafts. After participating in our programming, students will feel more excited about learning, improve their grades in school and have their free time filled with worthwhile activities. Learning about the history of our area will give students a better appreciation for the hard work done by our ancestors. Nature-based activities will not only reinforce science lessons but will also create an interest in environmental stewardship and help demonstrate why this is important for our future.

"The heart of Landmark Park's 42-year history is service to the community," says Interim Director Laura Stakelum. "If the entire community cannot benefit from our services due to financial and transportation constraints, we are unable to achieve our goal. This grant from the Wiregrass Foundation will provide educational opportunities to kids who may have no consistent educational enrichment activities after school and during the summer. We are excited and honored to have a chance to bring these opportunities to our community."

Landmark Park is a Blue Star Museum

Thanks to the generous support of All In Credit Union, Landmark Park will offer free admission to active-duty military personnel and their families from Memorial Day through Labor Day as part of the nationwide Blue Star Museums Initiative. Landmark Park is taking it one step further this year. In addition to active duty military, retired military and their families can also take advantage of the opportunity for free admission.

"As an organization founded by servicemen, we understand the dedication and sacrifice of our military to give their all to a mission, their country and their families," says Kathy

Scarborough, VP of Marketing at All in Credit Union. "That is why All In Credit Union is proud to serve as the signature corporate sponsor for the "Blue Star Plus" program."

The Blue Star Museum initiative is a partnership between Blue Star Families, the National Endowment for the Arts, the Department of Defense and more than 2,000 museums across the country. It provides free admission to active-duty military identification holders and up to five immediate family members. To further benefit the military families in our area, Landmark Park is happy to extend this discount to retired military and their families as well.

New Series!

Wacky Wednesdays

On Wednesdays during June and July at 10 a.m., anything goes! Wacky Wednesdays are programs on a variety of topics suitable for families with kids. These activities are free with paid gate admission (\$4 for adults, \$3 for kids, free for park members and children 2 and under). Seating is limited and registration is required. If the 10 a.m. program fills, a second session may be offered for some programs. Visit www.landmarkparkdothan.com to register.

JUNE 5: HOMING PIGEONS

Join John Ross Helms for a fascinating look at homing pigeons. These amazing birds are able to find their way home from great distances. Helms will discuss these birds, their historic uses, and then will release some of his own homing pigeons so they can fly home. *No second session will be available.*

JUNE 12: BACKYARD BANDITS

Master Naturalist Jessica Gautney will offer a look at the insect that bite, sting and stink. But even these backyard bandits play an important part in our environment. Meet some of the insects common to this area and learn all about their lives.

JUNE 19: LIFE OF A HONEYBEE

Wiregrass Beekeeper Rosalyn Horton will teach us all about the life of a honeybee. Learn the "waggle dance," taste a honey stick and hear why these animals are so important to us.

JUNE 26: BEGINNING YOGA

Our friends from the Nature Gallery Yoga Studio will lead park visitors in a beginner yoga class. *No second session will be available.*

JULY 3: FAIRY HOUSES

Indulge in a morning of imagination as we create fairy houses!

JULY 10: METEOROLOGY

Meteorologists from WTVY will visit Landmark Park to teach us about weather patterns and storm tracking.

JULY 17: STORYTELLING AND NATURE JOURNALING

Soda Jerk Celeste Conner will share humorous stories from her own personal experiences. Then, let your imagination be your guide as you venture outside and come up with a story all your own.

JULY 24: POETRY WITH SID

Retired Landmark Park Farm Manager Sid Brannon will recite some of his favorite poems from James Whitcomb Riley, depicting life in the country.

JULY 31: GUIDED NATURE HIKE

Master Naturalist Lisa Lopez will lead a guided tour of the boardwalk and points out the flora and fauna found at Landmark Park. Please wear comfortable clothes and shoes. The boardwalk is handicapped accessible.

New Series!

Throw Back Thursdays

History will be on our minds on Thursdays during June and July at 10 a.m. With the help of Alabama Agricultural Museum Curator Kari Barley, Throw Back Thursdays will offer programs on our history, suitable for families with kids. These activities are free with paid gate admission (\$4 for adults, \$3 for kids, free for park members and children 2 and under). Seating is limited and registration is required. If the 10 a.m. program fills, a second session may be offered for some programs. Visit www.landmarkparkdothan.com to register.

JUNE 6: OLD FASHIONED FUN

Play tug o'war, potato sack races, ring toss and more.

JUNE 13: DAIRY DAY

Learn about the dairy products we eat every day, including milk, butter and ice cream. Try your hand at churning butter on a variety of churns.

JUNE 20: TRADITIONAL MUSIC

Try out playing a penny whistle or dulcimer and learn about how our ancestors made music!

JUNE 27: FIBER FEST

Explore a variety of fiber based crafts, including knitting, crocheting, bobbin lace and more, and try weaving on a cardboard loom.

JULY 4: FOURTH OF JULY CELEBRATION

Members of the DAR will read the Declaration of Independence and show historic costumes.

JULY 11: INDIAN ARTIFACT DAY

Check out Landmark Park's collection of arrowheads and pottery and learn from an archaeologist about their history.

JULY 18: A DAY ON TOWN SQUARE

Step back in time at the town square. Learn about circuit riding preachers, have a lesson in the one room school house and visit the Shelley General Store and Martin Drugstore.

JULY 25: WIREGRASS FARMSTEAD TOUR

Visit the heritage breeds of animals and check out the crops and buildings on the 1890s farm.

VOLUNTEER SPOTLIGHT

Austin Ellison

Our volunteer spotlight shines on Austin Ellison for this issue. Austin is a 15-year-old home school student in the 10th grade. When she needed some volunteer hours, she chose to come to Landmark Park and lend a helping hand. She has always enjoyed visiting the park and has especially enjoyed working with the animals--both the farm animals and the reptiles.

Austin is hoping to go into medical entomology after her graduation. In addition to volunteering at Landmark Park, she enjoys dancing and drawing.

Austin, all of us here at Landmark Park appreciate not only your hard work but especially your smile and friendly attitude.

Special thanks to Austin and all our volunteers. We could not do what we do without your help!

If you are interested in joining our volunteer family, we would love to have you! From office work to outdoor projects, there is plenty to do here at the park. For more information, please call Laura at 334-794-3452.

Animal Adventures

Every Friday in June and July, Landmark Park will present *Animal Adventures*, a special one-hour educational program which provides a unique opportunity to learn about our natural world. Families and kids are invited to see first-hand the wonder of native and exotic animals. Programs begin at 10 a.m. in the Park's Interpretive Center Auditorium. Free with paid gate admission; online registration is required. Visit landmarkparkdothan.com to register.

JUNE 7: TORTOISES

Big Bend Wildlife Refuge will teach us all about the wonderful world of tortoises. Feeding and nesting habits will be discussed, as well as what you should do if you find an orphaned or injured wildlife.

JUNE 14: SNAKES AND REPTILES

Come learn from Page Whatley about these cold-blooded animals and why some of them are endangered. Visitors will have the opportunity to see different reptiles up-close, all representing the species native to the Wiregrass region.

JUNE 21: ALLIGATORS

Tim Ward, with the Alabama Department of Conservation, will present a program on one of South Alabama's most misunderstood creatures, the American Alligator. A combination of slides, skins, and skulls--as well as a live alligator--will be used to illustrate and teach participants about the lifestyle and habitats of this unique animal.

JUNE 28: CHICKENS

What came first, the chicken or the egg? While we may not crack that riddle, you will have a chance to learn all about chickens and see some of these beautiful animals up close.

JULY 5: DOG TRAINING BASICS

Our four legged furry friends will be the star of this program as local canine specialist Renee Jones-Lewis, along with her canine teaching assistant, show visitors the correct way to interact with dogs. Park visitors will learn training tips they can easily use with their own family pets.

JULY 12: FANTASTIC FISH

Ken Weathers, of the Alabama Wildlife and Freshwater Fisheries Department will present a program about common fish. Not only will you get to see the fish that are naturally found in our local lakes and rivers, you will also be able to brush up on your fishing and casting techniques.

JULY 19: BIRDS OF PREY

Join Jatin Patel and meet his birds of prey. Learn what these beautiful birds eat and what role they play in our environment.

JUNE 22: AMPHIBIANS

Amphibians can be slimy and lay eggs, but they also have a lot of other interesting characteristics. Join Jimmy Stiles as he talks about various amphibians including frogs, salamanders, and one big amphiuma. Stiles has been involved in herpetology for over 25 years and is currently working on his PhD in Wildlife Sciences through Auburn University.

Blacksmith Demo

On June 8 and July 13, Wiregrass Forge member Doug Wolfe will demonstrate the art of blacksmithing at Landmark Park. From 10 a.m. to 2 p.m. (with a break for lunch), Doug will be stationed in the Blacksmith Shop on the Wiregrass Farmstead explaining his craft to the audience. This demonstration is free with paid gate admission. Doug will also have unique handmade items for sale.

Stuff the Bus!

This summer, Landmark Park will be collecting school supplies for donation to local school systems. Bring your school supplies for donation and receive a free gift from Landmark Park. The bus will be at the park in June and July.

New Event! Landmark Park Education Festival

On August 3 from 10 a.m. to 2 p.m., classroom and home school teachers, parents, and kids of all ages are welcome to come to our first Education Festival! Landmark Park offers educational programming year round to thousands of students. Our Education Festival will give visitors a chance to see what the Education Department at Landmark Park has to offer. A variety of stations will be spread across the park with activities on art, history, science and STEM. Guests can enjoy farm tours, the kid's zone, food vendors and explore the boardwalk.

After your adventures around the park, explore space with an instructor-led program in the planetarium and get to know our reptiles at the Radical Reptiles program in the auditorium.

Admission to the Education Festival is \$4 for adults, \$3 for kids and free for children 2 and under and for park members. Teachers who attend this event, you will get a coupon for 10 percent off of your next field trip to Landmark Park! Visit the Information Booth at the event for details.

For more information, contact Tabitha Shumaker at 334-734-3452 or tabitha@landmarkparkdothan.com or visit our website at www.landmarkparkdothan.com.

LANDMARK PARK TRIBUTE FUND

To Honor or Remember Family, Friends and Loved Ones

As a special tribute to family and friends for important occasions throughout the year—a birthday, an anniversary, graduation, a “get-well” wish, or expression of sympathy—a gift to Landmark Park’s TRIBUTE FUND is a very meaningful and personal gift. Contributions are fully tax-deductible and are placed in the park’s trust fund, thereby providing an unending gift to Landmark Park that will also serve as a lasting tribute to the person you wish to honor. Personal acknowledgment is sent to the individual honored, without reference to the size of the gift, and your tribute is listed in the park’s newsletter, “The Lark.”
