

Watermelon Sampling

Celebrate National Watermelon Month with Landmark Park during our Watermelon Harvest and Sampling on July 11 at 10 a.m. The Watermelon Sampling is free with paid gate admission. Special thanks to Master Gardener and park volunteer Tom Boyle for coordinating this event each year. Watermelon is a favorite summertime fruit throughout the South. This juicy fruit can be red, yellow, pink, or dark pink on the inside and be seeded or seedless. Watermelon is a flowering ground vine from the gourd family. A single watermelon is made up of 92% water and is packed with healthy nutrients. They are a good source of antioxidants like vitamin A, vitamin C, vitamin B6, and potassium, magnesium, and dietary fiber. Visit www.alwatermelon.org for more info on watermelons. *Sponsored by Wiregrass RC&D.*

Honey Extraction Workshop

Join Landmark Park on June 27 at 9:30 a.m. in the Ag Building for a Honey Extraction Workshop and learn all about bees and the important role they play in our lives. The workshop is hosted by the Wiregrass Beekeepers and the Alabama Cooperative Extension System and is free with paid gate admission. Guests will have a chance to watch as honey from local hives is uncapped by hand, extracted from the comb and bottled. Honey will be on sale at the event and at Landmark Park while supplies last. For more info, contact the office at 334-794-3452. *Sponsored by Wiregrass RC&D.*

Landmark Park Reopens After Two Month Closure

Due to COVID-19 related concerns, Governor Kay Ivey issued a "Shelter in Place" order in March that required several businesses—including museums—to close until the threat of the virus waned. Since Landmark Park serves as Alabama's Official Museum of Agriculture, we followed the order and closed down for two months in order to help keep our community safe and healthy.

Even through the park was closed, the staff and volunteers never stopped working. Safely distanced, masked, and sanitized, we continued to care for the farm animals, cut grass, tend to gardens, plan for the future and learn new skills. Personally, I had a chance to work with Bill Miller and the Wiregrass Beekeepers to gain a better understanding of how a honeybee hive works. Membership Manager Julie Powell was inspired to try her hand at playing the mandolin so she could join in the Pickin in the Park jam sessions. The staff came together to clean up unused portions of park property to allow for future growth. Southeast Health requested that some of our volunteers who know how to sew make cloth masks for patients in the hospital and I'm proud to report that many masks plus some material was donated to help. We created virtual content to help enhance your at-home lessons for kids. The Wiregrass Master Gardeners Association continued to grow fresh vegetables in the Kitchen Garden to donate to the Wiregrass United Way Area Food Bank.

Many of our regular events have been canceled or postponed due to the spread of this virus. As we move forward, we ask that you please be patient with us as we navigate uncharted territory. We very much appreciate your support of Landmark Park. Your memberships, donations and volunteer work allow us to fulfill our mission even during difficult times.

Thanks to the generous support of All In Credit Union, Landmark Park will offer free admission to active-duty military personnel and their families from Memorial Day through Labor Day as part of the nationwide Blue Star Museums Initiative. Landmark Park is taking it one step further this year. In addition to active duty military, retired military and their families can also take advantage of the opportunity for free admission.

"As an organization founded by servicemen, we understand the dedication and sacrifice of our military to give their all to a mission, their country and their families," says Kathy

Scarborough, VP of Marketing at All in Credit Union. "That is why All In Credit Union is proud to serve as the signature corporate sponsor for the "Blue Star Plus" program."

The Blue Star Museum initiative is a partnership between Blue Star Families, the National Endowment for the Arts, the Department of Defense and more than 2,000 museums across the country. It provides free admission to active-duty military identification holders and up to five immediate family members. To further benefit the military families in our area, Landmark Park is happy to extend this discount to retired military and their families as well.

In the Planetarium

THE PLANETARIUM IS TENTATIVELY SCHEDULED TO REOPEN IN JULY

JULY 22: I SURVIVED (NATURAL DISASTER SAFETY)

Disasters can hit at any time. Whether a wild fire or hurricane, survival is top on the "To Do List". Join Landmark Park and WTVY's Meteorology team as we look into the world of Natural Disasters. Learn the best ways to hunker down and keep your family safe so you can say... "I survived."

JULY 29: BEGINNING YOGA

Our friends from the Nature Gallery Yoga Studio will lead park visitors in a beginner yoga class.

Don't Forget About These Regularly Scheduled Events

The **Wiregrass Woodturners** host a club meeting and woodturning demo every **first Saturday of the month at 9:30 a.m.** The public is invited to visit and learn how to make beautiful wooden items turned on a lathe. Free with your paid gate admission (\$4 for adults, \$3 for kids, free for park members). Wiregrass Woodturner members get in free. Club meets in the Interpretive Center Classroom.

The **Landmark Dulcimer Club** has a jam and practice session every **first Saturday of the month at 1 p.m.** You do not have to know how to read music! We prefer you bring your own Mountain Dulcimer but we do have a few practice dulcimers you can borrow if you want to give it a try. Free with your paid gate admission (\$4 for adults, \$3 for kids, free for park members). Show your instrument and get in for free! Club meets in the Interpretive Center.

Wiregrass Forge member Brent Clark will present a **Blacksmithing Demo** every **first and third Saturday of the month at 10 a.m.** Watch as metal is heated and shaped into a variety of items. Free with your paid gate admission (\$4 for adults, \$3 for kids, free for park members).

Landmark Park hosts a public **Reptile Feeding** every **first Sunday at 4 p.m.** Meet our snakes and turtles and learn why these animals are so important to the environment. Free with paid gate admission. Interpretive Center Lobby. Free with your paid gate admission (\$4 for adults, \$3 for kids, free for park members).

Pickin in the Park takes place every **second Saturday of the month at 10 a.m.** Join musicians for a bluegrass, country and gospel jam session. Visitors are welcome to listen or participate. Free with your paid gate admission (\$4 for adults, \$3 for kids, free for park members). Show your instrument at the gate to receive free admission. All ages and skill levels are welcome.

VOLUNTEER SPOTLIGHT

Mike Roberts

Like the rest of the United States, Landmark Park was closed to the public for all of April and May. But the facilities still had to be maintained and the future still had to be imagined.

Mike Roberts came almost daily during the shutdown to help Kari Barley (curator) prepare the new exhibit in the Alabama Agricultural Museum. Recently, Mike restored the windows in the Brown's Crossroads Schoolhouse. He took apart the old window frames and saved as much of original as he could, then found antique frames to use to replace the rotten wood. The doors on the schoolhouse were rotten, too. Antique doors were uncovered that were perfect, so Mike installed those doors.

He told David Jay to let him know if the park needed anything else. He said he likes to fix up things. David said, "I called him, and he came."

Mike has had a diversified career. He spent 21 years with Norfolk Southern Railroad, 14 years with Evans Building Supply in the door shop, and four years as facilities manager at Wiregrass Museum of Art. He is married to Carol an ER nurse and has two grown sons, three grandchildren, and one on the way.

Mike said about himself, "I like to make something out of nothing" and about Landmark Park, "It educates children better than a book."

Make a point to notice Mike's craftsmanship next time you're at the park. To volunteer at Landmark Park, call the park office at (334) 794-3452 or email Celeste Conner (volunteer coordinator) at celeste@landmarkparkdothan.com.

Animal Adventures

Every Thursday and Friday in July, Landmark Park will present Animal Adventures, a special one-hour educational program which provides a unique opportunity to learn about our natural world. Families and kids are invited to see first-hand the wonder of native and exotic animals. Programs begin at 10 a.m. in the Park's Interpretive Center Auditorium. Free with paid gate admission; online registration is required. Visit landmarkparkdothan.com to register. If a program fills a second session may be offered.

JULY 2: BIRDS OF PREY

Join Jatin Patel and meet his birds of prey. Learn what these beautiful birds eat and what role they play in our environment.

JULY 3: AMPHIBIANS

Amphibians can be slimy and lay eggs, but they also have a lot of other interesting characteristics. Join Jimmy Stiles as he talks about various amphibians including frogs, salamanders, and one big amphiuma. Stiles has been involved in herpetology for over 25 years and is currently working on his PhD in Wildlife Sciences through Auburn University. *This session will take place outdoors in the Amphitheater.*

JULY 9: LIFE OF A HONEYBEE

Wiregrass Beekeeper Rosalyn Horton will teach us all about the life of a honeybee. Learn the "waggle dance," taste a honey stick and hear why these animals are so important to us.

JULY 10: TORTOISES

Big Bend Wildlife Refuge will teach us all about the wonderful world of tortoises. Feeding and nesting habits will be discussed, as well as what you should do if you find an orphaned or injured wildlife.

JULY 16: CHICKENS

What came first, the chicken or the egg? While we may not crack that riddle, you will have a chance to learn all about chickens and see some of these beautiful animals up close.

JULY 17: DOG TRAINING BASICS

Our four legged furry friends will be the star of this program as local canine specialist Renee Jones-Lewis, along with her canine teaching assistant, show visitors the correct way to interact with dogs. Park visitors will learn training tips they can easily use with their own family pets.

JULY 23: FANTASTIC FISH

Ken Weathers, of the Alabama Wildlife and Freshwater Fisheries Department will present a program about common fish. Not only will you get to see the fish that are naturally found in our local lakes and rivers, you will also be able to brush up on your fishing and casting techniques.

JULY 24: HOMING PIGEONS

Join John Ross Helms for a fascinating look at homing pigeons. These amazing birds are able to find their way home from great distances. Helms will discuss these birds, their historic uses, and then will release some of his own homing pigeons so they can fly home. *No second session will be available.*

JULY 30: ALLIGATORS

Tim Ward, with the Alabama Department of Conservation, will present a program on one of South Alabama's most misunderstood creatures, the American Alligator. A combination of slides, skins, and skulls--as well as a live alligator--will be used to illustrate and teach participants about the lifestyle and habitats of this unique animal.

JULY 31: SNAKES AND REPTILES

Come learn from Page Whatley about these cold-blooded animals and why some of them are endangered. Visitors will have the opportunity to see different reptiles up-close, all representing the species native to the Wiregrass region.

LANDMARK PARK EDUCATION FESTIVAL

On August 1 from 10 a.m. to 2 p.m., Teachers, parents, and kids of all ages are welcome to come to our 2nd annual Education Festival! Landmark Park offers many educational programming year round to thousands of students. Our Education Festival offers a unique experience for parents and teachers to come and see all the Education Department offers. There will be a variety of activities and programs around the Park for all ages. Along with all the adventure around the park, explore space with an instructor in the planetarium and get to know our reptiles at the Radical Reptiles program in the auditorium. Admission to the Education Festival is \$4 for adults, \$3 for kids and free for children 2 and under and for park members.

Teachers: If you attend this event, you will get an automatic 10% off of your next field trip you schedule at Landmark Park! Just come visit the Information Booth for details.

People in the Park

The staff peeked through the windows in the office. "Is she cutting his hair?!"

Eventually, they wandered down to the Interpretive Center to learn about the park.

He said, "I just got a haircut."

"We saw."

She said, "It's not a good one."

They are heading home to Illinois from wintering in Florida. They had RV trouble. While waiting on repairs, they set out to find a place to explore. And get a haircut. Come see what you can find to do at Landmark Park!
