Seed Swap and Garden Expo

On Saturday, January 28 from 10 a.m.-2 p.m., Landmark Park and the Wiregrass Master Gardener Association will present the annual Seed Swap and Garden Expo at the Stokes Activity Barn at Landmark Park.

Activities will include trading seeds with fellow gardeners, plus info and demos on beekeeping, backyard chickens, getting started with your home gardens, rain barrels, food preservation, composting and more. Bring your seeds to trade if you would like to participate in the Seed Swap.

This event is free with your paid gate admission (\$5 for adults, \$4 for kids, free for park members and children 2 and under). Hosted by Landmark Park, Wiregrass Master Gardeners Association, Alabama Cooperative Extension System and Wiregrass RC&D.

Beginning Beekeeping Course

Join the Wiregrass Beekeepers for the 2023 Spring Beginning Beekeeping Course. This course is designed to supply a novice beekeeper with all the information you need to take bee colonies from their inception through their first year. Attending the auditorium sessions is free, but for \$35, you will get a beekeeping book, all the class handouts, and a year's membership in the Wiregrass Beekeepers Association.

The four auditorium sessions will be held at the Landmark Park Interpretive Center at 10 a.m. and run for about 2 hours. The field session will start at 10 a.m. at Landmark Park Teaching Apiary. Persons coming to Landmark Park for the beekeeping class can get in for free (but do consider making donations to the park). Questions? Call Bill Miller at (334)794-8362 or e-mail him at wgmiller@aol.com

FEBRUARY 25 (AUDITORIUM): WELCOME TO BEEKEEPING AND EQUIPMENT OVERVIEW

We'll discuss beekeeping costs, time and products. We will also go over equipment needs, sources, and have hands-on equipment assembly. Bring a hammer!

MARCH 4 (AUDITORIUM): THE BEES AND THE COLONY

The bees in a colony come in three basic types – worker, drone, and queen. We'll discuss each type's unique biology, life cycle, and functions. We'll also discuss how the three types of bees form a working colony, and how it develops in its first year. We'll look at some of the things you will see as you examine your colonies.

MARCH 11 (AUDITORIUM): LAWS, PESTS, AND DISEASES

We'll cover Alabama registration requirements and common bee pests and diseases.

MARCH 18 (AUDITORIUM): THE BEEKEEPER'S YEAR AND WORKING A COLONY

We'll discuss the beekeeper's year, what is done when, and demonstrate working a colony (auditorium session with no bees).

MARCH 25 (TEACHING APIARY): LIVE COLONY FIELD SESSION

We will be working with live colonies, so beekeeping protective gear (at least a veil) will be required for all participants. We will meet at Landmark Park outside the Farm Museum then go over to the apiary. We'll put on protective gear, light smokers, and inspect the hives, emphasizing proper hive working procedure. We'll evaluate the colonies, find the three types of bees, and probably find a few unwelcome pests. We may even find and catch a swarm. (Weather permitting. Beekeeping protective gear required!)

Winter Quilt Retreat

Join Quilted Creations owner Sherry Burkhalter on February 10 and 11 for the annual Winter Quilt Retreat. The retreat will take place in the Stokes Activity Barn on February 10 from 5 p.m.-9 p.m. and February 11 from 9:30 a.m.-4:30 p.m. Lunch and snacks will be provided, along with instruction on a quilting project. Participants should bring their own sewing machine and supplies. To register and for pricing information, call Sherry Burkhalter at 334-790-9045.

Volunteer Spotlight

Kristin North loves history and genealogy and artifacts. She loves old Dothan and all things library. Her ability to spew old dates belies her 40-ish years. She reads history books for fun, and her fiction, of course, is historical. She says her love of old ways comes from growing up at Landmark Park. She remembers when the park consisted of just the Waddell House, Headland Presbyterian Church, and gazebo. She remembers playing in the chicken coop and scrambling up the ladder in the barn on the farm. The boardwalk seemed taller to her then.

She had her birthday parties at Landmark Park, long before there was a playground. She and her guests played in the ravine behind the old picnic area. They climbed down and up. Down and up. Down and up.

Kristin works as Youth Services Manager for Dothan Houston County Library System, where she began reshelfing books when she was a junior at Rehobeth High School. She's served on Landmark Park Board of Directors since January 2021 and currently serves as secretary.

Frequently, she plays schoolmarm in Browns Crossroads School. Occasionally, she lends a hand behind the soda fountain, when Martin Drugstore is busy. She worked Shelley General Store for Bluegrass Festival and discovered trinkets in the collection that she wished were in hers, so she searched online and bought some. She has a museum of sorts in her own home, a room designated for her treasures. Her favorite piece is her great-great-grandmother's 1904 Singer sewing machine.

She loves sewing and digging in the dirt, and since 11th grade, she's loved Jeremy North. They have two grown children: Brandon and Ali.

Where in the park is Kristin North?! Come one day soon to Landmark Park and see if you can spot her.

To volunteer at Landmark Park, call the park office at (334) 794-3452 or email celeste@landmarkparkdothan.com.

Let us Host Your Next Event

If you are planning a special occasion--wedding, corporate event, reunion, picnic, baby shower or prom--you can add your own personal touches to the magic of Landmark Park with a rental of our facilities. From rustic barn weddings to corporate announcements, the park can provide the perfect backdrop for your event.

The Stokes Activity Barn at Landmark Park is the perfect location for your big day. In the past it has been used for weddings, reunions, corporate events, proms and more. This 8,000 square foot facility can accommodate groups both large and small. Historic artifacts adorn the walls for a truly unique atmosphere and venue. The heated and air conditioned structure includes bathrooms, a caterer's kitchen with commercial freezer, double refrigerator, ice machine and oven. Also included with your rental are up to 42 (60") round tables, 10 (8') rectangle tables, 350 chairs and a sound system for background music and announcements. We even offer DISH TV so you can enjoy the big game with your friends. A bridal changing suite was added to the barn last year to give the ladies a luxurious place to get ready for their big day.

The Victorian-style Gazebo is also used for outdoor weddings and other events. The 1908 Headland Presbyterian Church, a restored 35'x35' building, seats about 60 people on 10 8-foot wooden benches. While the church is not heated or cooled, it does have ceiling fans and windows that can be opened. Both are just a short walk away from the Stokes Activity Barn. In addition to weddings, these venues have been used in the past for concerts and church services.

The Playground Pavilion is a covered 30'x42' picnic pavilion with 12 large picnic tables, adjacent to The Barnyard Playground at Landmark Park. Birthday parties, graduation parties, family reunions, church picnics and much more have taken place at this convenient location. Adults can gather in the shade while kids enjoy the playground.

In the Interpretive Center, the Auditorium can also be used for a variety of special events. Tables and chairs are included in the price of your rental. The Auditorium can seat around 45 people at tables and has been used for baby showers, birthday parties, corporate seminars and retreats.

Funds from rentals at Landmark Park help preserve the park for future generations. These venues book quickly, so if you are planning your perfect event, be sure to call 334-794-3452 to schedule a time to come take a look. You can also check out our information and photos on our website. Just click on rentals at www.landmarkparkdothan.com.

We Need Your Support!

As the holiday season approaches, I have been reflecting on how blessed we are to live right here in the Wiregrass area. These past few years have been hard as we figure out our new normal in the wake of COVID 19. No matter what, I always knew our community would continue to support the efforts of Landmark Park. And we need your support now more than ever.

This year, we were excited to reopen the Alabama Agricultural Museum with a brand new exhibit. We also completely renovated the Interpretive Center Lobby to showcase the longleaf pine ecosystem. The boardwalk has been rebuilt and new exhibits are being installed.

As you know, Landmark Park is a special place. We make learning about science and nature fun, while providing an affordable backdrop for quality family time. The annual cost to operate our facility exceeds \$500,000. While

we do receive generous support from the state, city and county, Landmark Park is a private nonprofit and your donations are essential to our success. I hope you will consider a special gift to Landmark Park. With your support:

A donation of \$50 will feed our Interpretive Center reptiles for one week.

A donation of \$100 will pay for seeds and tools for our kitchen garden.

A donation of \$500 will feed our Wiregrass Farmstead farm animals for one month.

A donation of \$1,000 will cover the cost of one issue of our newsletter.

A donation of \$2,000 will pay our electric bill for one month.

A donation of \$5,000 will allow for continued maintenance and repairs to our historic structures.

Perhaps you would like to honor a favorite relative, friend, co-worker or that hard-to-buy-for person on your Christmas list. You can make a donation online through our website (www.landmarkparkdothan.com) via PayPal or by calling us at 334-794-3452. All contributions are appreciated.

We are looking forward to 2023. I wish you all a Merry Christmas and happy holiday season

Special thanks to Scott Harden and Robert Harden for the donation of an 1880s Victorian secretary to Landmark Park. This piece belonged to Dr. John Robert Graves Howell, great-grandfather of Scott and Robert. Dr. Howell was the mayor of Dothan in the 1800s, a physician, and owner of one of the first pharmacies in town.

Today, visitors can see this piece in its new home at the Martin Drugstore at Landmark Park.

Thanks to a grant from Southeast Health, Landmark Park is now a designated HeartSafe campus.
